03/11/2009	526	Hearing held. Objection overruled in part and sustained in part. The Court determines that the issuance of a Writ of Habeas Corpus and Testificandum is necessary and essential in order to assure that the debtor is transported and available to testify in this Court in person on April 2, 2009 and thus overrules the government's objection to the issuance of such Writ. The Court denies the motion to continue the hearing on confirmation beyond April 2, 2009. The Court sustains and grants the government's request that the cost of such transportation be born by the Debtor and instructs the government to compile all receipts connected with said transporting and to file an application for the filing of an administrative claim in this case in the total amount of the cost of transporting the debtor to be available to testify in this Court on April 2, 2009 and to then be returned to Leavenworth Prison in Kansas after conclusion of said hearing. Said application for filing of an administrative claim is to be filed no later than June 30, 2009. Exhibits were tendered in open court by L. Woodward as follows: Exhibit 1 ? Order of the Circuit Court of the County of Surry signed by Judge Campbell dated 10/30/08; Exhibit 2 ? Letter dated November 14, 2008 from Gerald G. Poindexter, Commonwealth Attorney for the Commonwealth of Virginia addressed to The Honorable Sam Campbell and Warden Claude Chester; and Exhibit 3 ? List of Allowances enumerating the cost of transporting Michael D. Vick to Surry County in December 2008 for a personal appearance in the Circuit Court of County of Surry.
